Hi Adeline,

Thank you for your email. I appreciate and respect your desire to meet expectations.

I am not requesting a meeting at this time, just wanting to chat for a moment.

Since you have been appointed as the new health officer, I want to dispel one of the myths that our local media has been reporting (regarding health department funding in 2023). Several people have brought this concern to me, and I want to make sure you hear from me directly.

Please call or text at your convenience. My cell # is below.

I look forward to meeting formally in the future.

Thanks & Merry Christmas,

Joe Moss

Mr. Moss,

I received your message and wanted to check-in with you via a quick email. I am currently in the process of shifting to the Health Officer role here in Ottawa County and it is my understanding that the current practice is that requests to meet with department heads run through the County Administrator, John Shay. I want to make sure I am meeting the expectations set for me, so would you mind reaching out to John? I imagine you have his information, but I've included it here as well.
